Worshipping, learning, and serving together in the name of Jesus

From The Pastor

Go and Tell

“Jesus said, “Do not hold on to me, for I have not yet ascended to the Father. Go instead to my brothers and tell them, ‘I am ascending to my Father and your Father, to my God and your God.’”

Mary Magdalene went to the disciples with the news: “I have seen the Lord!” And she told them that he had said these things to her.” (John 20:17-18)

At the end of John’s Easter story, after the initial shock and the joy of being reunited with her beloved Jesus, newly resurrected, had worn off, Mary Magdalene was commissioned by Jesus to become the first evangelist of the Good News.

Mary Magdalene accepted the job with joy and went and announced to the disciples, ‘I have seen the Lord’; and she told them everything that he had said to her. As I hear these words from John’s Gospel yet again, I wonder what the disciples might have thought when they heard Mary’s proclamation. More importantly, as we hear these familiar words once again on Easter Sunday I wonder what you will be thinking of them.

The good news of what God has done for you and me in the resurrection of Jesus is not something that we are supposed to keep to ourselves. The Good News of the resurrection is something that we are invited to participate in each and every day. You and I share that Good News with Mary Magdalene and all of the others who first witnessed Jesus’ resurrection 2,000 years ago.

During the forty long days of Lent, we spent time together sharing in the words of

We will receive a check each month for the total amount donated. If we are the top church that month we will receive an additional \$100.00.

Dear Church Family,

Ray and I want to thank you for all the support, prayers and guidance given to our daughter Rebecca Horton in the last 13 years. You have missioned and mentored to help develop her spiritually and musically. We can only pray her next church will be as supportive and dedicated as this one.

Please accept this contribution to the Choir Fund. This church is blessed to have so much musical talent and God-given gifts.

Many thanks and God Bless each and everyone of you.

Sincerely, Ray and Becky Taylor

From The Pastor

Mark's Gospel which he began by telling us we would be hearing the beginning of the Good News of Jesus Christ, the Son of God. As we celebrate the climax of that Good News, there, along with Mary in the early morning light of the garden, we too are commissioned and sent out by Jesus. Because this is Good News that is just too amazing and life-changing to keep to ourselves. It begs to be shared, needs to be shared with everyone we encounter.

Today, and every day of our life together, you and I join in saying "I have seen the Lord" and "Christ is Risen! He is Risen Indeed!" Blessings as you confidently and joyfully proclaim this truth in every part of your life! Happy Easter brothers and sisters in Christ. Happy Easter.

Yours in Christ, *Pastor Mike*

"One Great Hour of Sharing"

Having access to water affects all aspects of community life and growth. Matee Kakoo tells the story of her community in eastern Kenya before and after a One Great Hour of Sharing-supported sand dam was built.

Ms. Kakoo had lived in Mbangulo for 40 years and says, "the situation before the sand dam/shallow well was pathetic." She notes that the people could not bathe and people from other areas mocked them because of their appearance. People went hungry because they didn't have enough water to cook food. Their primary school had insufficient classrooms because there was no water to make bricks. The children often missed school because they needed to fetch water for their families from one of two water points, between four and seven miles away. Fetching water was a time consuming activity, walking the distance, waiting in line four to five hours and then carting it back home by foot or donkey. It took most of the day, leaving little time for other activities like school or work or farming. Women were also at risk for being sexually assaulted on their long journey to get water.

When the people of Mbangulo were first approached about constructing a sand dam, they were enthusiastic. They quickly gathered local materials that were combined with additional donated construction materials to build the dam. The people worked very hard, and within a month the dam was constructed.

Today, children are in school and there is even a shallow well on the school grounds to provide for the school's needs—including new bricks for new classrooms. Bricks are made locally with several kilns that have sprouted up in the community. Permanent houses are being built. Food is more plentiful as the water allows people to grow gardens and they have more time to tend to them.

Some, mostly women, have started table banking to boost small businesses. "We have converted time taken to go for water into other income generating activities," explains Ms. Kakoo. She reports that one group has accumulated the equivalent of over \$800 USD in their account.

Ms. Kakoo expresses her gratitude for what this water project has done for her community, "It will be remembered by generations to come."

The One Great Hour of Sharing offering will be received during the worship services on Easter Sunday. Please give generously.

Dinner will be offered each Thursday night during Lent starting March 9th through April 6th. Each week, a ministry of the church provides the meal which starts at 6:00pm in Fellowship Hall and will go until 7:30pm. The entire meal will be provided and a freewill offering will be accepted to cover the cost of the meal. Join us for a time of fellowship and reflection as we embark on this period of repentance and preparation for Christ's passion.

Easter Lilies-Once again this year you have the opportunity to purchase an Easter Lily in memory or honor of your loved ones. The flowers will beautify our sanctuary on Easter morning and may be taken home after the 10:30 am service that day. They are \$10.00 each and can be ordered from the Worship Committee on Sunday mornings March 19th, 26th, April 2nd, and April 9th.

Crossroads Connections Dinner

Crossroads Connection ministers to current inmates at Omaha Work Release Center and provides social services to former inmates who are transitioning to outside life. They conduct a weekly Sunday evening worship service attended by inmates, former inmates, sponsors and volunteers. Providing the meal and worship service is an outreach that our congregation has participated in for many years. Our next event is on Sunday, April 9th. This is an excellent outreach to volunteer for because you decide what level of participation interests you.

- We need salads and desserts for the meal. These can be prepared ahead of time and delivered to the church on the day of the event.
- We also need help preparing the meal. The time commitment varies based upon the meal.
- You can also go with us to serve the meal. We meet here at the church at 5:00 pm and carpool to the location of the dinner. We usually return by 9:00 pm.

Thank you for your support of this ministry over the years and in the future!

DEBT PAY-OFF CAMPAIGN UPDATE As of March 20, 2017

GOOD NEWS: Our church debt was refinanced in early October 2016 with American National Bank. The terms are 5 year fixed at 3.7% with monthly payments of \$6,372.98. The REFI SAVED the church over \$16,000 in interest expense. There is the potential to save another \$12,000 to \$18,000 if we pay off the loan EARLY--in 2-3 years---instead of 5 years. Therefore, the Debt Pay Off Campaign has been extended until the loan is fully paid off. It has also been redefined so the contributions can be used to make the monthly loan payments as well as to accelerate the debt pay-off. Session unanimously approved these changes at the Nov 17, 2016 meeting.

In light of the extended and redefined Debt Pay-Off Campaign, please prayerfully consider continuing/increasing your generous giving to paying off the remaining debt. If you have already pledged, we encourage you to amend and increase your pledge to cover the two-year period 2017 and 2018. If you have not yet pledged, we encourage you to do so. Please use the RED pledge card located on the name tag table. Please use the PINK envelopes for your contributions.

MORE GOOD NEWS. The outstanding loan balance is now down to \$306,037---from \$750,000 in July 2013. We have received 36 pledges to the Debt Pay-Off Campaign totaling \$81,480. Contributions received are at \$63,231 including 16,561 in unpledged donations.

Wouldn't it be marvelous if we could have the loan fully paid off in 2-3 years instead of 5 years? Along with the refinancing package this would save the church about \$30,000 in interest expense, plus free up money every year for future church growth and mission work.

Thank you again for your generous giving toward paying off our remaining church debt. As a church family we are truly Blessed. If you have any questions, please contact me or Eric Van Sky (Financial Secretary).

UPDATE ON 2017 STEWARDSHIP CAMPAIGN

Current results---as of March 20, 2017---show 103 pledges totaling \$249,503. Our goal this year is to receive pledges totaling about \$264,000. This reflects an increase of about 5.3% over last year's pledged amount. So far we have received contributions of \$69,463 which includes \$12,150 of pre-paid pledges from December 2016.

To those of you who have turned in your 2017 pledge---we sincerely thank you. If you haven't yet turned in your 2017 pledge, please do so using the white pledge card. Additional cards are located on the Name Tag table in the Foyer. Please use the white envelopes for your contributions, and be sure to include your envelope number if you are using a generic envelope.

For any questions regarding the 2017 Stewardship Campaign please contact me or our Financial Secretary, Eric Van Sky.

OUR CHURCH FOUNDATION INVESTING IN THE FUTURE

Did you know? We all can extend our Christian influence by making financial gifts to our Church Foundation. For example, over 30 years ago, two endowments were created to recognize the donor's passion for children/youth and mission. Over time, income from investments has grown to add significant support each year to those two operating budgets.

Legacy Planned Giving

A gift as part of a will or estate plan can help ensure that the ministries that mean the most to you will continue into the future. With planned giving, you decide what and how to give.

Giving in the Near Term

An asset (cash or securities preferred) allows you to see your gifts work during your lifetime. Near term gifts may offer a financial planning advantage to you. Consider designating gifts as memorials or special occasion gifts (birthday, anniversary, graduation).

Gifts to the Foundation can be unrestricted or restricted. The Session determines the purpose for unrestricted gifts. You designate what ministry area to support with your restricted gift.

Gifts to the Foundation are invested with a professional investment advisory firm. The Church Foundation Board oversees Foundation investments. To discuss how to make financial contributions to the Foundation, contact one of the current Board members: Landy Jacobson (President), Tom Miller (Treasurer), Curt Hart, Walt Griffiths (Secretary), John Dawson, Mary Bond and Dick Brown.

You can also pick up a *Foundation Building Church, Ministry, and Legacy* brochure by the table with name tags.

Welcome School

Spring is finally here! The children at Welcome School are certainly ready for some nicer weather so they can play outside. We've been keeping ourselves busy in the meantime doing a lot of activities. Riding our trikes up and down the hallway has always been a great wintertime tradition! All of the classes had pajama day. That's a fun day the kids wear their jammies, read books, and eat pancakes. Some pesky Leprechauns visited the classrooms leaving behind their footprints and a tasty gold treat!

Ahoy Matey! Mrs. Souerdyke's classes have been sailing the high seas with their pirate center. They've even been digging for pirate booty!

Mrs. Bishop's class has been busy learning all about their bodies. They have the doctor/vet center in their room. Dr. and Mrs. Zieno came to talk to the children about being a doctor and a nurse. We love having guests.

Mrs. McCann's classes have been practicing being teachers in their school center. It's great fun to pretend to be the teacher. Learning is so fun!

The Butterbraid sale has come to an end. They will be available in the Welcome School office on April 13th. I will be bringing the rest of the orders on Sunday, April 23rd. Thank you all for your support with our fundraiser.

HELP! If you have been in this church for at least a year, you probably realize that VBS decorating is NOT my gift or my passion. Oh sure, we have filled the church with decorations and it's ended up fine, but it could be so much better, and it could be a whole lot more fun, if decorating was headed up by someone who had a passion or flare for art and/or decorating. If you think of "High Seas Expedition" and ideas pop into your head or if you love decorating for things like birthday parties or showers or proms, please consider being the lead decorator for VBS this year. I have **Jean Jacobson** and **George Sayles** at work planning the "main stage ship" for High Seas Expedition but we need so much more. And if you don't want to be lead, but you are willing to paint one or more pieces of key decorating, please let me know. I will furnish supplies and the work can be done at the church or at home.

VBS runs from 9 AM to noon, Monday through Friday, July 24 – 28th. Ages are 3 (and potty-trained) through completed 6th grade. Registration will go online in mid-May. Youth who have completed 7th grade and up are eligible to help. Adult helpers & leaders are always needed. Bless her heart, **Barb Carlson** called this week to volunteer. I'd sure love to hear from YOU, too!

65 – that's the number of people who came to our March Family Movie Night. Isn't that awesome! Thanks go out to **Mike & Sue Tabler, George Sayles, Elizabeth Van Sky, Mike & Sharon Elliott** for all their help with the evening. And thanks to **Mandi Crick** for taking pictures. We are considering having an outdoor movie night on the church grounds this summer. If you would be interested in helping with this, or are particularly interested in attending, please let me know. There is an Easter Treasure Hunt planned for kids 6th grade and under during the Brunch on Easter Morning, April 16th. The Hunt is free and will run from 9:45 to 10:15. It starts in Fellowship Hall. Look for **Nora Boyd** and Easter Treasure Hunt signs. The hunt will involve reading a series of clues to find the stations around the church, so please be sure an adult or mature youth is with any pre-reading child. Kids will not be using Easter baskets in this hunt, so don't worry about bringing one from home.

Our last WOW for the year is coming up on April 19th. We will host a short graduation program for our 6th graders who are leaving WOW and moving on to Illuminate Youth Group at the end of dinner. Families (including First Pres. grandparents) are invited to join us for dinner. Please RSVP for the number of guests, by Tuesday, April 18th. I hate to look at my list of 6th graders, because it makes me sad, but they are: **Abby Ellison, Morgan Fenster, Emerson & Jackson Griffin and Nellie Renter**.

I'll be hosting a 3rd through 6th grade Retreat at church from 6 to 10 PM on Friday, April 21st. We'll start the night with pizza and then have a Bible Study, a mission project and play games of all kinds. And yes, we will play Ga Ga Ball! I'm looking for 1 to 2 adults to help serve dinner and 1 to 2 adults to stay for the whole event to help. If you are willing and able to help in some way, please let me know.

Christian Education Appreciation will take place in Worship on Sunday, May 7th. If you have helped with Sunday School, WOW or special events this year, please mark your calendars and plan to be in worship that morning. The last Sunday School of the school year is Sunday, May 21st.

A mission oriented Intergenerational Sunday School will be offered again this summer on the first Sunday of each month from 9 to 9:50 AM. In June, we will put together Hygiene Kits for Presbyterian Disaster Assistance. And in July, we will make cards for deployed service persons and/or shut-ins. If you have an idea for a mission project for August, please let me know.

April Youth Fellowship (YF) News

Mark 16:15 "He said to them, 'Go into all the world and preach the good news to all creation.'"

The youth have worked so hard preparing a wonderful Youth Sunday message for all of you. I hope you will be in service April 2nd to hear their words. We are following the theme from last year's Triennium which was GO!

One main focus was going out of our comfort zone and two of the scriptures we selected were from the great commission, perfect timing in this Easter season. Jesus charges the disciples with the above words from Mark. Go and preach the good news to everyone. I think sometimes we compartmentalize this statement to only Bible times and "those people". But do you think Jesus would have any other words for us? We are charged with spreading God's love and his word to the world. Do you need to be a missionary? No, look at your neighbor, look at the person sitting next to you at work or school. You can spread God's word through your words and also your actions. I've charged the kids to do one act of kindness before they have any candy in my office. On the wall outside my office are their post-its of things they have done to spread God's love. My wish is we all listen to God's voice and call to action so we have enough post-its to cover my whole wall.

The surprise snow day made us cancel the 30 Hour Famine but we are still hoping to reschedule for late April or early May. Youth Sunday, Easter and the Garage Sale are making it a bit difficult to pick a date. Please keep an eye on your weekly youth email for updates.

We will not have Illuminate on April 12th because it will be Holy Week. Our final Illuminate of the year is on April 19th.

April has 5 Sundays so April 30 we will need 8 youth to usher and 1 Liturgist. Please contact me and let me know you would love to do any of the above.

Sunday School will continue through May 21st when we will have a special Sunday School class to end the year.

May is the month for graduates and we'd like to include graduates in our May newsletter! Email your biography information, include the school you will be graduating from and your plans for the future, to the office at admin@bellevuefpc.org. If you provide a senior picture, we'll include that also! Please have the information to the office by April 23rd.

It's hard to believe the school year is winding to a close. Please pray for the students who are thinking thoughts of summer and losing their focus. Please pray for their teachers as they continue trying to inspire and teach a group of young people with serious Spring fever!

Happy Spring, the season of rebirth and renewal!
