When Omaha Gives, the Steeple/Campus Project Wins

Mark your calendars for Wednesday, May 24th, when our church will participate for the first time in Omaha Gives, a 24-hour charitable online challenge organized by the Omaha Community Foundation to grow philanthropy in Douglas, Sarpy, and Pottawattamie counties.

Why participate? Per Session approval, all your donations will help with the cost of steeple repairs and campus renovation projects. Every gift makes a difference. The minimum donation is \$10 and there is no maximum. You will receive an immediate thank you and tax receipt from the Omaha Community Foundation.

How can you help during Omaha Gives!?

Visit www.omahagives24.org/nonprofits.

Search for First Presbyterian Church of Bellevue.

For your convenience, you can schedule gifts between May 1 and May 23. Gifts won't be processed until May 24th. We encourage you to donate early if you cannot participate then.

Donate to us on May 24th beginning at midnight. Your donations can help us win prize money already donated by corporations. The more donors we get, the more likely we are to win a randomly selected additional prize of \$535 or \$1,000-3,000 as a participation prize for organizations attracting the highest number of donors.

We will need your help! Tell your friends in the community that you will be giving to this project to renovate the iconic steeple during Omaha Gives! and that you need their help.

Omahagives.org is a "mobile optimized platform" that will make it easy to make a gift on your smart phone.

Thanks for your support!

Baker's is offering the community rewards program again in **2017**. You **will not** need to re-enroll. The church received **\$258.22** from the first quarter of 2017. If you have not enrolled please do, this helps us pay for various items that are not budgeted such as the new TV in the classroom downstairs and new light weight tables for the Craft Room.

On March 28th, 12 members of First Presbyterian Church with 12 additional volunteers participated in the Backpack program at the FoodBank for the Heartland. The Backpack program is designed to provide food for hungry children at times when other resources are not available, such as during weekends and school vacations. The program distributes 8300 bags of food to children in need each week in 228 schools across Nebraska and Western Iowa. This includes schools in Bellevue.

Our volunteers packed 1408 bags in the 2 ½ hours that they were at the FoodBank, this broke our previous record of 872 bags. These bags will be placed in the backpacks of selected children as they leave the school each Friday.

Congratulations Graduates!

Mariah Kochera is graduating from Bellevue West High School. She has been a part of our church family for the past 15 years where she participated in Sunday School, WOW, Illuminate and Vacation Bible School. For the past three years she has been busy as a percussionist for the Bellevue West Marching Band and Indoor Percussion Team. In addition, she is a member of the National Honor Society and has earned several art awards in local and state art contests in both photography and mixed media. In her spare time, she works at Bellevue Kid's Time, writes short stories, and practices photography, drawing and painting. She plans to attend college in the Fall and major in Special Education with minors in both Art and Music.

Lexie Ryks will be graduating from Bellevue West High School. She has been a member of National Honor Society since her Sophomore year. She is a member of West High Singers and the varsity Show Choir, where she is dance captain. She is a member of National Honor Society. Was a cast member in the musical Drowsy Chaperone her Senior year. She was a member of the varsity swim team her freshman through Junior years.

She will be attending Concordia University in Seward NE this fall where she will be studying Music Therapy.

Ethan deZafra will be graduating from Papillion LaVista South High School. While attending Papio South, he was involved in Wrestling, DECA and Skills USA. Ethan has been a part of the youth program at First Presbyterian since 3rd grade and had the opportunity to attend Triennium, the Colorado mission trip and participated in many other youth activities. He will be attending Iowa Western in the Fall and plans to study Audio Engineering.

Makayla Burg is graduating from Bellevue West High School. She will be attending the University of Nebraska-Lincoln in the fall. She plans to study Entomology. During her time at West she was involved in FBLA, Student Senate and DECA. She won State with her Public Relations Project and is competing in California for the national competition. Makayla is also very involved in 4-H. She has been showing chickens, sheep, goats, horses, ducks, swine, dogs, cats, and tortoises since she was 5 years old. Her achievements include 4-H Princess, 4-H Queen, and 4-H'er of the year. She has participated in numerous leadership roles within her club The Country Bumpkins and wants to continue working with the extension office as a future career. Makayla has enjoyed growing up at 1st Pres. Her favorite youth activity was attending Presbyterian Youth Triennium at Purdue University in Indiana. She still stays in touch with many of the youth she met there from all over the country. Makayla looks forward to sharing this next journey in life with her friends and family at 1st Pres.

Bethany Emma Dart will graduate from Bellevue West after attending school in Bellevue her entire life. Bethany sings in two groups at Bellevue West, West Connection the varsity show choir and West High Singers the varsity mixed choir plus SNJ Singers in Omaha. She has performed in musicals at West all four years and was selected to perform in the All State Musical the last four years and All State Choir the last two years. Bethany has received top scores at District Music Contest the last three years and Gold medals 4 years in SNJ Studios Solo Competitions. Last year she was selected as one of the top 10 female leads for the Omaha Performing Arts NE High School Theater Awards Showcase at the Holland Center. She is a National Honor Society Member, International Thespian Member and has lettered in academics, music, theater and trap shooting. Bethany has grown up at 1st Pres. and as has been active in the children and youth programs. VBS, choir and attended Mission trips since 6th grade. Bethany will attend University of Kansas in Lawrence where she has been accepted in both their Music Therapy and Vocal Performance Programs. She plans to dual major using both her love of music and love of helping people.

Dawson K. Pelzer is the son of Steve and Teri Pelzer and the grandson of Sylvia Pelzer. Dawson is graduating from Bellevue East and plans on attending UNO and majoring in education.

Lauren Renee Pelzer is the daughter of Matthew & Maureen Pelzer and the granddaughter of Sylvia Pelzer. Lauren will be graduating from Papillion-La Vista High School and will be attending UNO in the Fall and plans to major in Elementary Education, aspiring to be a 2nd or 3rd grade teacher.

Steeple

For several months now, the Building and Grounds Committee have evaluated problems involving the current condition of our steeple. As many of you know already, these problems, along with issues involving poor drainage around the church grounds, have slowly been deteriorating the condition of the steeple and certain concrete slabs on the north side of our building. An architect was hired to help in identifying the problems and finding a solution to help preserve our signature steeple, as well as address the other issues with poor drainage around the church. The following problems were identified:

- 1.) Water has been leaking behind the siding on the upper tiers of the steeple, causing the white residue to run down the brick. This also has caused deterioration in the mortar holding the bricks together.
- 2.) The concrete slab under the steeple, which the benches are sitting on, has structural deficiencies causing it to move in freeze/thaw cycles. This has caused the concrete itself to crack and chip away.
- 3.) Improper drainage on the north side of the building (around fellowship hall), causing the sidewalk and concrete slabs to sink and pull away from the building. This has allowed water to find its way down to the foundation of the building, increasing our risk for damage to the foundation itself.

The building and grounds committee has worked closely with our architect in coming up with a plan in fixing these problems. This plan was recently approved by the session, giving the renovation project the green light to proceed.

Starting this spring/summer, you will begin seeing work done around our church campus to fix these problems. Once the time frame is set, we will work to educate everyone further in when this project will be completed and what areas of the church grounds will be blocked off.

As always, Jack Syphers, Ken Trinkle, Jean Jacobson, or myself will be available to answer any questions or to further explain details involving the scope of this project.

This schedule will begin the week of May 8th. If you have a conflict with an assigned week, please feel free to trade with another team. The lawn should be mowed by Thursday or Friday, weather allowing.

Equipment training will be held at the Spring clean-up on May 6th. Individual phone numbers and e-mails may be found in the church directory. The key to the garage will be provided to the team leader.

Thank You for volunteering for this task.

PENTECOST

Creating Hope for Today and Tomorrow: Pentecost Offering Helps Teen Mothers and Their Children Flourish

As a high school student, Lily Jones had a beautiful 18-month-old daughter and a strong desire to finish school.

Lily knew the importance of education to her future and that of her daughter Sophia, but day care posed a problem. Family had been helpful caring for Sophia, but they could no longer provide the day care Sophia needed. In Ligonier, Indiana, a town with a population of 4,400, child care choices are limited, particularly for those in challenging financial circumstances.

Fortunately, Lighthouse Ministry Daycare, a provider housed in and supported by Ligonier's First Presbyterian Church, had a spot for Sophia.

Parents like Lily and children like Sophia are top concerns for Lighthouse. "Our first priority is to provide child care so teen parents can get through high school," says Rachel Bales-Case, director of Lighthouse. Sophia and most of her 20 classmates at Lighthouse receive care at a reduced cost. Lighthouse serves not only children whose parents are students, but also a number of children whose parents work at low-wage jobs.

One of the funding sources of Lighthouse is the Pentecost Offering that First Presbyterian receives each year. This Presbyterian Church (U.S.A.) church-wide offering serves youth, young adults, and at-risk children. Congregations retain 40 percent of the Offering for local causes, while 60 percent is sent to the national church to support Young Adult Volunteers, ministries with youth, and work on behalf of children at risk.

Thanks in part to the generosity of First Presbyterian and other local supporters, the future looks bright for Sophia and Lily. Sophie is now four and is flourishing in the preschool curriculum that Lighthouse teaches. Lily is enrolled in college studying to be a teacher when she graduates. She works at her old high school as an assistant for special-needs students and has two other part-time jobs. She is also a board member at Lighthouse.

Without Lighthouse, finishing high school would have been challenging for Lily, and college likely would have been unthinkable. She is grateful for the opportunities she has received and for a safe and nurturing place for Sophia to stay during the day. "You know and trust the people there at the church," she says.

John Lersch, Pastor of First Presbyterian, considers Lighthouse a ministry of the church, and he notes the congregation's support of Lighthouse, which started in 2008, is indicative of its concern for others.

"In this church, the people have good hearts," John shares. "It is not just about ourselves. It's about others. That is the sign of a healthy church."

First Presbyterian's Pentecost Offering is another example of its good-heartedness. Through the Offering, the church helps youth, young adults, and at-risk children in its own community and also reaches out across the country through ministries of the national church that serve children, youth, and young adults.

Please give generously to this Offering, and support the future of our young people.

Let Us Pray Caring God, we pray for teen mothers and for their children. Grant them lives filled with hope and promise. Help us to reach out to them and extend the embrace of your loving arms. Amen.

Making a Joyful Noise!

We are so blessed as a church. Not only do we have wonderful choir members (some who are a bit goofy, but I won't name names!) but our instrumentalists – this past Easter we had Rebecca Horton and Jim Chatelain flutes, Maggie Blazek on the trumpet, and then there is Dirk, playing one of my favorite organ pieces in the world. On Maundy Thursday, we had Brian Wells on the cello – playing a memorial anthem on his cello. On Palm Sunday, we had Dirk and Ryan Crick playing a one

piano – four hand accompaniment to “Ride On, King Jesus”. The instrumentalists don't get paid (except for Dirk, and I think that he is worth it!) They do it because they love serving God and First Presbyterian. If you see them – tell them thanks for all that they do!

Welcome School

Another school year is coming to an end. April was a fun month for the children. The older children went to Fontenelle Forest for a morning of nature exploration. As part of our life cycle unit in Science, we are anxiously waiting for our Painted Lady butterflies to emerge from their chrysalises. To continue with Welcome School tradition, the 3 and 5 day classes will be having a day at the park on Friday, May 5th. Let's hope the rain stays away.

Due to a lot of interest, we have decided to have summer school during the first 3 weeks in June. By providing a summer program once again we hope this will be one more thing that will set us apart from other preschools in the area. At this time children must be currently enrolled in Welcome School in order to attend. We are excited for this new adventure!

The Butterbraid fundraiser was extremely successful! We raised over \$1,800.00 which will be used to update and improve our playground. Thanks to all who participated in the fundraiser.

I would like to express my appreciation to some individuals who have helped ease my transition as the new Director.

- ☺ The Welcome School Board, Wendy Fenster, Sally Syphers, Anita Chappell, Linda Reffert, Megan Warren, Coleen Greiner, and Lana Griffiths for their support, patience as I learn the ropes, allowing me to make this job my own, and supporting all of the Welcome School staff.
- ☺ Jack Syphers and Ken Trinkle for helping with all of our maintenance needs.
- ☺ June Kouba for being a mentor to me and making me feel welcome.
- ☺ Sue Shook for keeping our school and bathrooms so clean.

I look forward to another great school year in September.

Woo-hoo!!!! Way to go, kiddos! This year our kids donated \$83 to One Great Hour of Sharing, through their fish banks. That money will help so many people and it's just about exactly double of the collection from the first Easter I was here. That's awesome! Also wonderful is the fact that after this week's collection of WOW and Sunday School offering, we have \$74.49 of the \$75 necessary to donate a water catchment system to Presbyterian Mission Agency. These kids understand the importance of helping those that are less fortunate. And while we try to teach them that on Wednesday nights and Sunday mornings, the most important lessons are coming from parents and we are so grateful for your support of mission projects and your teaching of the importance of helping those in need.

I am excited to give you my latest update of VBS volunteers! **Sue Tabler** is again going to serve as my Assistant Director. **Mike Tabler** has offered to lead up the Snack Crew again, yeah! **Quentina Ellison** has offered to lead up Decorations and just listening to her dream with such excitement and plan, makes me excited! Quentina will help in the Kitchen during VBS. The **Keaton family** will be helping us through the first half of VBS. **Makayla Crick** is going to help **Nora Boyd** with Science and **Izzy Griffin** is going to help her mom, **Becca Griffin** with Bible Story Time. **Mariah Kilpatrick** is going to run the Games Station. **Amber Renter** is going to be one of the station leaders for the Preschool class. She will teach Arts and Crafts. **Cindy Reilly** is going to help **Mike Elliott and June Kouba** with Registration and Mission. **Andrew and Becky Baruth** are going to trade off days to split a leadership role between them (so they can work the other days). **Liane Kirmis, Barb Carlson and Jean Lindfors** are going to help with decorations. **Jean Jacobson** is making a wonderful ship with portholes, that the kids can go into, as our mainstage decoration and has graciously agreed to donate the ship to Welcome School after VBS.

That was a lot of names and roles, right? Yes, BUT that's not even a third of the people we need. So, if you are wondering if you are needed, the answer is YES!

April was a big month for Christian Education and I want to thank **Jean Jacobson** and **Nancy Shultz** for creating table decorations for WOW Graduation and all their help in setting up for that special night. A special thanks to **Mel Hesse** and **Mike Tabler** for manning the giant grill, cooking all those delicious hamburgers. Thanks go out to my husband, **Randy** for helping me put on our Upper Elementary Retreat last Friday night. It was an awesome night and I'm so glad we do that!

Thanks to **Nora Boyd, Ash Hudson, Mariah** and **Noelle Kilpatrick** for running stations in the Children's Easter Treasure Hunt. They were just awesome! And thanks to **Kathy White** and **Carole Warnes** for staffing the Nursery on Maundy Thursday.

Our Church Grandparent Blessing day is coming up on Sunday, May 21st. I am still short of grandparents and if you are interested and available, please sign up or come talk to Shelli or me about it. I promise it is super easy, low stress, no cost and yet it could make a big difference in the life of a child – and maybe yours, so please pray on this and sign up.

Christian Education Appreciation Sunday is May 7th. The kids will be singing in worship and all those who have helped with CE for children, youth and adults will be recognized.

And finally, I go through a lot of wrapped candy because kids (and even some adults) are so good about learning Bible verses and reciting them. I would welcome donations. Please try to stay away from anything containing peanuts, but anything else that you know kids consider tasty, and that is individually wrapped and fits in my candy jar, would be awesome!

May Youth Fellowship (YF) News

Psalm 96:3 "Declare his glory among the nations, his marvelous deeds among all peoples."

Summer is right around the corner and the year has flown by. The Youth prepared and presented a beautiful Youth Sunday in early April. It's always wonderful to hear the testimony of the Seniors when they give the sermon and it was fun to be able to do a black light song again this year. Thank you for the opportunity to do this and thanks to the youth for working so hard and being so focused.

I hope we will all try and put our theme into practice, particularly this summer when people will have a bit more free time. Go Out of Your Comfort Zone. Try something new. Make a point to improve your life or the life of a friend, neighbor or stranger.

Illuminate ended on April 19th with 6th Grade Graduation and our traditional welcoming of the 6th graders, Gaga Ball and Up-side-down Sundaes, a youth favorite. It's been a fun year and although we have to say goodbye to our Seniors it will be fun next year with the new soon-to-be 7th graders.

We have CE Appreciation and Teacher recognition May 7th so please try and be in worship to help us thank the wonderful teachers and volunteers that help run the Children and Youth programs.

Sunday School will continue through May 21st when we will have a special Sunday School class with a Grandparent Blessing to end the year. Senior recognition will also be the 21st so please join us for worship as we send them off into the big world of new opportunities.

As the year winds down I want to thank the many people who helped on Wednesdays to feed and support our WOW and Illuminate kiddos and to thank our fantastic Sunday School Teachers and

Illuminate Leaders for their dedication, support and love of these kids. Thank you Sandra Ryks, Laura & Tom Miller, Lisa & Doug Lewis, Christy VanRyckeghem and especially my hubby John for his constant help. Thank you all, I could not do this without you!

Happy last month of School, Graduation and Beginning of summer. Go out of your comfort zone and be a Blessing to someone new!

Foundation Giving

Thanks to our Foundation, members and friends can make financial gifts to the church just like they do for any charity.

Now Outright Giving

Outright gifts allow you to see your gifts at work during your lifetime. Donate a current asset: cash or securities are preferred. Your gift may result in tax savings.

You can designate outright gifts as memorials or special occasion gifts (birthday, anniversary, graduation).

Legacy Planned Giving

A planned gift will help ensure that the ministries that mean the most to you will continue into the future.

You may make gifts in memory or honor of friends and family. With planned giving, you decide what to give and how to give it. Many planned gifts offer certain advantages to both the donor and the church.

Ministry ideas for gifts:

Ministry Targets

Mission	Children/Youth
Building & Grounds	Worship/Music
Scholarships	Technology

Foundation Board

The Foundation Board partners with a professional advisory firm to manage funds on behalf of the Session. Investment income is used for Christ's work in our church, community, or national organizations.
